\*NOTE BY SECRETARY OF DONEGAL COUNTY COUNCIL.—The entries in the seventh column of the Statement represent the numbers of ratings under 25 valuation estimate in the several Electoral Divisions specified, the figures before taken from the Rate Book made on the 23rd May, 1902, for the service of the year ending the 31st March, 1903. It is not possible to say if the figures entered on the form represent, in all cases, householders the valuations of whose holdings are under 25, as this information is not obtainable from the Rate Book alone. In the latter the same person may be rated for several holdings or tenements situate in one Electoral Division, the aggregate valuation of which is under the sum mentioned.
